

# سمائل للمشمى

We are a baby food and nutritional products manufacturing company with HACCP & ISO 22000-2018 certification. We are in business for 24 years, based in Sohar, Oman. We also do contract manufacturing of baby cereals, biscuits, rusks and health drink powder for world renowned brands like Heinz of USA, Zydus Wellness, India and Farley's of UK. All our products are made to match the highest international quality standards.

**Our products are 100% HALAL and are exported to many countries in GCC, Africa and Asia.**

### Product Range:

#### Baby cereals with milk

This is the first solid food for the baby from weaning age. We have eight variants of wheat based and rice-based cereals with milk.

#### Baby biscuits

We have stick shaped teething biscuits and animal and bird shaped fun biscuits which provides complete balanced nutrition for your baby. This is our USP. No other brands, including Cerelac has a biscuit range. We also have Apple and Banana baby biscuits in 240gm boxes. So we can always create a niche in the market.

#### Quality Certificates (HACCP, ISO 22000-2018, HALAL)
